2 COPYRIGHT TRANSFER

The author(s), being the owner(s) of the copyright in the above-mentioned paper (the "Paper"), hereby submit the Paper to the Institute of Electronics and Information Engineers ("IEIE") for publication, including the Paper as it may be amended upon resubmission. The copyright in the Paper is hereby assigned and transferred to IEIE for the full term thereof throughout the world, subject to the terms of this Agreement and to acceptance of the Paper for publication in the Journal of Semiconductor Technology and Science.

IEIE shall have the right to publish the Paper in any medium or form, or by any means, now known or later developed. IEIE shall also have the right to register the copyright in the Paper in its name as the claimant, whether separately or as part of the journal issue or other medium in which the Paper is included.

The author(s) reserve all proprietary rights other than copyright, such as patent rights.

3 AUTHOR REPRESENTATIONS AND WARRANTIES

The author(s) represent and warrant that:

- 1) the Paper is original with the author(s);
- 2) the Paper does not infringe any copyright or other rights in any other work or violate any other rights;
- 3) the author(s) own the copyright in the Paper or are authorized to transfer it;
- 4) all copies of the Paper that the author(s) make or authorize will include a proper notice of copyright in IEIE's name; and
- 5) the signing author is one of the authors of the Paper and is authorized to execute this Agreement and make the copyright transfer described herein on behalf of all authors.

4 SIGNATURE*

This Agreement may be signed by one author on behalf of all authors, provided that the signing author is authorized by all co-authors as stated in Section 3. IEIE does not require separate signatures from the other authors.
